

Change Classroom

It is very important for your student's classroom to be up-to-date.

- to know **where** the meals ordered should be delivered
- that the portion **size** should be

When you sign in you are taken to your [family home page](#).

On each student line you can select the change, or pencil, icon.

You will be presented with an Edit Student Profile page where you can select the correct classroom and save it.

If you are unsure of the classroom check with your student's teacher.
